1. No unregistered players may play in League games .If you do not have enough team players to play, you must forfeit. Then play friendly games with players from other team. Any red or yellow cards issued in a friendly or practice game by a paid referee count the same as if it were a regularly scheduled game
- 2.If you allow an unregistered player to play, the game is no longer sponsored by GACSL; you are a playing as a group of individuals, the referee must leave, and no one involved is covered by league insurance in the event of injury or lawsuit
- 3.Slide Tackles – defined as a slide AND a tackle, are outlawed in this league. This also applies to keepers sliding feet first into the feet/legs of an opponent. Immediate yellow card will be assessed.
